

## Instinet named Best Cross-Asset Trading Solution by Wall Street Letter

**NEW YORK – February 29, 2016** – Instinet Incorporated (Instinet) today announced that its US brokerage subsidiary, Instinet, LLC, was named Best Cross-Asset Trading Solution in *Wall Street Letter's* Institutional Trading Awards 2016.

“We are proud to be recognized by *Wall Street Letter* for our cross-asset trading solutions. Instinet is unwavering in its commitment to drive innovation and find the best solutions for its clients in an ever-changing trading landscape,” said Mark Govoni, Head of Americas Sales and Trading at Instinet, LLC.

Instinet's front-end technology provides a range of global, broker-neutral and multi-asset solutions including Newport® OEMS, a global multi-asset execution platform. Newport offers users an extensive range of tools for managing and executing simple and complex strategies in global equities and US listed options.

With more than 40 years of industry experience, Instinet's agency-model brokers have consistently earned recognition from clients, garnering a number of awards for excellence in electronic trading. Instinet, LLC was named Best ATS Client Service by *Wall Street Letter* in 2015 and Best Broker Dealer for Equities, the previous year. Last year, Instinet was awarded Best Algorithmic and Crossing Network Provider by *WatersTechnology* and received top honors in seven out of 15 categories in *The Trade's* Global EMS Survey for Newport.
